Buy in the Beautiful Gray Tract

One of the best subdivisions in San Mateo County. No adobe; the finest of soil—loam and gravel; beautiful oak trees, and situated on the Woodside road. This road is soon to be made into a beautiful boulevard. NOW is the time to buy. Only a few blocks from the new electric line. Don't let all outsiders come here and buy up the best. These lots are all 50x109 feet; no 25-feet frontage here. I want you to call at the office and I will show you what these lots are, and I would like to see our own people get in on the ground floor—not all strangers. About forty of these lots have been placed on the market for $250 each; 10 per cent cash, remaining payments to suit purchaser.

Stop That Cold

To check early colds or Grippe with "Preventics" means sure defeat for Pneumonia. To stop a cold with Preventics is safer than to let it run and be obliged to cure it afterwards. To be sure, Preventics will cure even a deeply seated cold, but taken early—at the sneeze stage—they break or head off those early colds. That's surely better. That's why they are called Preventics.

Preventics are little Candy Cold Cures. No Quinine, no physic, nothing sickening. Nice for the children—and thoroughly safe too. If you feel chilly, if you sneeze, if you ache all over, think of Preventics. Promptness may also save half your usual sickness. And don't forget your child, if there is feverishness, night or day. Herein probably lies Preventics' greatest efficiency. Sold in 5c boxes for the pocket, also in 25c boxes of 45 Preventics. Insist on your druggists giving you

EVER HAVE IT?

If You Have, the Statement of This Redwood City Man Will Interest You.

Ever have a "low-down" pain in the back?
In the "small," right over the hips?
That's the home of backache.
It's caused by sick kidneys.
That's why Doan's Kidney Pills cure it.
Redwood people endorse this. Read a case of it:

Wm. H. Crow, living at 12 Washington St., Redwood City, Cal., says: "One naturally becomes impressed with a remedy that fulfills all claims made for it. Doan's Kidney Pills were recommended to me, and deciding to give them a trial, I procured a box at P. A. Ryan's drug store. I took them according to directions, and the results were very satisfactory. I have used them on several occasions since and have always derived great benefit. I believe Doan's Kidney Pills to be a most reliable remedy for pains in the back or any irregularity of the kidney secretions."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's, and take no other.

Town Council Meets

Monday evening at the Board of Town Trustees a motion carried to call a mass meeting for the purpose of getting the opinion of all the property owners of the town in regard to the advisability of issuing bonds for the purpose of erecting a suitable hall for the transaction of the business of the town and where offices of the town officials can be situated. It is also the desire of the board to improve the water system by the addition of steel tanks located in different parts of the town for distribution of water, the bond issue to be for an amount to make this improvement. The meeting is called for Tuesday evening next and will be held in the Alhambra at 7.30 o'clock.

On account of the lack of funds, the request of sewer connections made by property owners on Jefferson street was denied, with the promise to grant their prayer when the treasury was in a more healthy condition.

The petition from Miss S. Fry for an extension of time allowed for construction of a cement sidewalk on Main street was denied.

Julian Allain petitioned for water connection to be laid on C street was granted and the superintendent of streets was directed to lay pipe on that street for the accommodation of the petitioner.

The board agreed to inspect the sewer outlet of Wellesley Park on Tuesday and the board adjourned until Wednesday evening.

To Act as Jurors

On Monday in the Superior Court the following citizens were selected to act as grand jurors:

Wm. O'Brien, E. W. McLellan, N. J. Conway, C. W. Christenson A. Sturla, J. Jorgenson, C. J. Hynding J. W. Glennan, J. F. McCann, J. H Mansfield, H. McArthur, M. P. Dutra, A. J. Beer, J. Clifford, P. Faber, D. C, Brown, D. Flynn, W. W. Casey and J. P. Larrouy. Judge Buck appointed J. H. Mansfield foreman and W. W. Casey, secretary. Afterwards the judge delivered his charge and the jury appointed W. F. McGarvey as expert to examine the books.

Letters of Guardianship

Henry S. Barnes has applied in the superior court for letters of guardianship upon the estate of Louis Henry Barnes, a minor, aged seven years who now resides with his father and mother at Colma. The property of the estate consists of an action against the United Railroads for personal injuries received by reason of the negligence of the Company. It may be necessary to negotiate with the corporation or commence an action for damages and hence letters of guardianship are asked for so that the boys interests will be properly protected.

Pitcher Gets Divorce

Judge Buck on Thursday granted an interlocutory decree of divorce to John H. Pitcher from his wife. The case had been pending in the superior court for some time. Before his marriage he compelled his intended bride to sign an agreement. By this agreement the wife, for the consideration of $1000, agreed to forfeit all claim to the estate, if for any cause whatsoever she and her husand should become separated. By this means Pitcher provided for death, divorce on any other possible contingency. The court held that the prenuptial agreement was valid so that all Mrs. Pitcher will receive will be the $1000.

December Fourteenth the Date

Now that the Southern Pacific Company have decided that the Bay Shore cut-off will be opened for traffic before December 15th the South City celebration committee has fixed upon December 14th and 15th as the days for holding the fiesta in honor of the event. All arrangements have been made and guests are assured of having a grand time. The program for the two days will consist of tent shows, barbecue, hose company races, baseball games, etc. An open air concert by a large military band and a grand ball at night. Arrangements have been made for the accommodation and entertainment for several thousands of visitors who will be shown over the South City manufacturing district. The transportation problem is well in hand and the many train loads of visitors will be carried back and forth to San Francisco without any delay. On next Sunday the residents of the town will have a grand cleaning day and everybody will be given the opportunity to clean up in front of his property before the fiesta.

During the Christmas and New Years holidays the Southern Pacific will allow a one and one-third fare between all points in California where the rate is less than $10 Christmas holiday tickets will be sold from December 21st to 25th inclusive, and New Years holiday tickets from December 28th to January 1st inclusive. One may return any day up to January 2d. No stopovers allowed.
